(b) From and after January 1 of the calendar year immediately following the commencement of Assessments as set forth in Section 7 of this Article, the Board of Directors may increase maximum Regular Assessments each year by an amount not greater than ten percent (10%) of the maximum Regular Assessment for the immediately preceding year by a majority vote of a quorum of the Membership, which shall be twenty percent (20%) of the total number of voters, unless otherwise provided by law, voting in person or by proxy, at a meeting duly called for such purpose.

(c) Subject to the limitations of Section 3 of this Article, and for the periods therein specified, the Association may change the maximum and the basis of the Assessments fixed by Section 3 of this Article prospectively for any period provided that any such change shall have the assent of the quorum of voting Members of the Association, voting in person or by proxy, at a meeting duly called for such purpose.

(d) The Board of Directors shall fix the actual Regular Assessment at any amount not less than Fifty Dollars (\$50.00) per lot, per year and not in excess of the maximum Regular Assessment for that said year, after consideration of (i) current maintenance requirements and costs; (ii) requirements for an adequate reserve fund for replacement of improvements on and to the Common Area, and (iii) future needs of the Association.

Section 6 - Date of Commencement of Regular and Capital Assessments: Due Dates

The Regular Assessments provided for herein shall commence on the date designated by the Board of Directors or the Association as the "Assessed Commencement Date."

The first Regular Assessment shall be adjusted according to the number of months remaining in the Assessment year, which shall be the calendar year unless otherwise determined by the Board of Directors. The Board of Directors shall fix the amount of the Regular Assessment against each Lot at least thirty (30) days in advance of each annual Assessment period. The due date of any Capital Assessment authorized under Section 4 of this Article shall be fixed in the resolution authorizing such Assessment. Written notice of the Regular and any Capital Assessments shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand at any time, furnish to Owner, to any mortgagee or to any contract purchaser, a certificate in writing signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A reasonable charge may be made by the Board for issuance of these certificates except as to a First Mortgagee. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

Section 7 - Effect of Non-Payment of Assessment The Personal Obligation of the Owner, the Lien, Remedies of the Association

If an Assessment is not paid on the date when due (being the dates determined pursuant to Section 7 of this Article), then such Assessment shall become delinquent and shall, together with such interest thereon and costs of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot assessed which shall bind such Lot in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. In addition to the lien rights, the personal obligation of the then Owner to pay such Assessments shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them.

If the Assessment is not paid within thirty (30) days after the due date therefore (the "delinquency date"), then the Assessment shall bear interest from the delinquency date at the rate of one and one-half percent (1.5%) per month, or the highest rate of interest allowed by applicable law, and the Association may bring an action at law against the Owner personally obligated to pay the same or at equity to foreclose the lien against the such Owner's Lots, and there shall be added to the amount of such Assessment the cost of preparing and filing the complaint or bill in equity in such action, and in the event of a judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court, together with the cost of action. In addition to the aforesaid, the Board of Directors may charge a reasonable late payment fee on all delinquent Assessment accounts.

No Owner may waive or otherwise escape liability of the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9 - Subordination of the Lien to Mortgagee

The lien of the Assessments provided for herein shall be subordinate to the lien of any bona fide first mortgage on a Lot. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot which is subject to any first mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien for all such Assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof. The term mortgage or mortgages shall include deed of trust or deeds of trust.

Section 10 - Exempt Property

The following property subject to this Declaration shall be exempt from the Assessments created therein: (a) all properties dedicated to and accepted by a local public authority; and (b) the Common Area. No land or improvements devoted to dwelling use shall be exempt from said Assessments.

ARTICLE VII

ARCHITECTURAL CONTROL AND APPROVED BUILDER

Section 1 - Administration

The ARC shall be composed of the following members: two (2) Directors and two (2) members of the Membership currently nor serving as Directors, each of whom shall act and serve for a term of two (2) years from the date hereof, and thereafter until his successor shall be duly appointed. At any time after the expiration of the aforesaid two (2) year period, then the members of the Board of Directors of the Association, upon a majority vote of the Board of Directors, shall appoint, by a duly executed instrument, new members to, or otherwise change the membership of, the ARC, so long as the ARC shall at all times be comprised of at

least four (4) members. In the event of the death or resignation of any member of the ARC during the aforesaid two (2) year period, the Board of Directors shall appoint a successor by a duly executed instrument. All questions shall be decided by a majority of the members of the ARC, and such majority shall be necessary and sufficient to act in each instance and on all matters. In the event of a foreclosure of all or any part of the Properties by the Trustee or the Lender, the initial ARC members specified in this Section shall promptly prepare and submit to such foreclosing party their irrevocable written resignations from the ARC, which resignations shall be effective immediately upon receipt. The Declarant hereby grants to the ARC the right to waive, on a case by case basis, such portion or portions of covenants and by Restrictions contained in this Declaration placed upon Hurstbourne Subdivision as the ARC, in its sole discretion, may deem advisable in the best interest of Hurstbourne Subdivision.

Section 2 - Architectural Review

No building, addition to a building, fence, wall, storage shed, tank, or other structure of any kind, nature or size, including any driveway, walkway and outside lighting, shall be commenced erected or maintained upon the Properties, nor shall any exterior addition to or change (including, but not limited to, change of exterior house color) or alteration therein be made nor shall any work be commenced or performed (other than landscaping) which may result in a change of the exterior appearance of any of the above mentioned structures until the complete plans and specifications, in duplicate, showing the nature, color, kind, shape, dimensions, materials, floor plans, exterior plans and details, driveway plans, location and proposed topographical change, together with the estimated costs of such work and a designation of the party or parties to perform said work, have been submitted to, and approved in writing by, the ARC.

The ARC shall consider applications for approval of plans, specifications, etc., on the basis of conformity with this Declaration and shall be guided by the extent to which such proposal will insure conformity and harmony in exterior design and appearance with existing and proposed structures within Hurstbourne Subdivision. The ARC shall have the right to adopt and publish guidelines or policies with respect to all architectural requirements (and repeal or amend the same from time to time) which in the ARC's opinion are appropriate for Hurstbourne Subdivision.

The ARC shall have the right to refuse to approve any such plans or specifications, including grading and location plans, which are not suitable or desirable in its sole opinion, for aesthetic or other considerations. Written requests for approval, accompanied by the foregoing described plans and specifications or other specifications and information as may be required by the ARC from time to time shall be submitted to the ARC by registered or certified mail or in person in which case a written receipt shall be obtained. The ARC has the authority to hire a professional architect to review the plans and specifications. If ARC has to hire a professional to review plans and specifications, the Owner shall be required to pay the costs of such review in full within ten (10) days of receiving an invoice by regular U.S. mail.

In the event the ARC fails to approve or disapprove the plans and specifications within sixty (60) days after such plans and specifications and other information have been submitted to the ARC as required herein, approval will not be required, and this Article will be deemed to have been fully complied with.

Approval hereunder shall in no way be construed as passing judgment or making a determination with respect to the correctness of the location, structural design, suitability of water flow or drainage, location of utilities, or other qualities of the item being reviewed.

Notwithstanding anything contained herein to the contrary, the construction undertaken by or at the direction of Declarant or any successor or additional declarant shall not be subject to the terms of this Article and shall not require the approval of the ARC.

ARTICLE VIII

USE RESTRICTIONS AND EASEMENTS

Section 1 – Use

Except for those Lots designated otherwise on Exhibit A attached hereto, the Lots and Dwelling Units shall be used exclusively for private and residential purposes only. No building or structure of any kind whatsoever shall be erected, altered, converted, maintained or operated on any Lot except for one (1) Dwelling Unit for occupancy by not more than one (1) family, with only a garage for not more than four (4) and not less than two (2) non-commercial vehicles and a swimming pool (hereinafter defined) as accessory structures for the sole and exclusive use of the Owner or occupants of the Lot. The date of enactment of these Covenants shall be the effective date of this provision and shall not require any Owner to change his/her property pursuant to this provision if said construction was done prior to the effective date.

Section 2 - Architectural Requirements

Each one-story Dwelling Unit shall contain not less than One Thousand Eight Hundred (1,800) square feet of habitable area, exclusive of basements, porches (open and screened), patios, terraces, decks, and garages. Each two-story Dwelling Unit shall contain not less than Two Thousand Two Hundred (2,200) square feet of habitable area, exclusive of basements, porches (open and screened), patios, terraces, decks, and garages. Each Dwelling Unit shall have a garage for not less than two (2) noncommercial

vehicles. The date of enactment of these Covenants shall be the effective date of this provision and shall not require any Owner to change his/her property pursuant to this provision if said construction was done prior to the effective date.

All improvements shall be maintained in accordance with applicable building lines, setback and height provisions set forth in the Zoning Ordinance of the Village of Chatham, Illinois, except where more stringent requirements are imposed by the Record Plats, the deed of conveyance for a particular Lot or the ARC.

Construction must commence on each and every Lot within three (3) years from the date of purchase, unless said Lot is purchased by a current Member of Hurstbourne and said Lot is connected to another Lot owned by said Member that does contain a Dwelling Unit. Any violation of this restriction shall subject the Owner to a charge payable to the Declarant at the rate of five percent (5%) per annum of the original purchase price of the Lot, to be paid by the Owner to the Declarant, for such time as the violation of the restriction exists. The charge shall, until paid in full, be a lien against the lot and collection of the penalty shall be made in the same manner as herein provided for the collection of delinquent Assessments. All structures shall be completed in accordance with the approved plans and specifications within eighteen (18) months after construction thereon has commenced, and such construction shall proceed with all due diligence and be continuous without delay, except where such completion is impossible or would result in great hardship to the Owner or the Builder due to strikes, fire, national emergency or natural calamities. Notwithstanding anything contained herein to the contrary, the provisions of this paragraph with respect to the requirement of commencement of construction within three (3) years and the imposition of a five percent (5%) per annum charge if construction is not commenced within such period shall be inapplicable in the event that the Trustees or the Lender foreclose upon all or any part of the Properties.

No residence can be temporarily or permanently occupied until the exterior thereof has been fully completed. During the construction period, the Owner of any Lot shall require the Builder to maintain the Lot in a reasonably clean and uncluttered condition and to take necessary action to control any erosion of or from disturbed site areas. Cessation of work on any structure once started, and prior to complete, for a period of sixty (60) days shall be prima facie evidence of an attempt to abandon the same in its partially completed state, and the same shall be deemed to be both a public and private nuisance.

Each Lot Owner shall construct such sidewalk as may be required by ordinances of the Village of Chatham, Illinois, at such Owner's sole expense. Failure to conform with such requirement or ordinance shall vest Declarant or Association with the right to do so and to file a lien and/or legal action for reimbursement therefor. Declarant or Association shall expressly be entitled to pre-judgment interest and attorney's fees resulting from any such action.

Section 3 - Signs

No signs of any nature shall be erected or maintained on any Lot except:

(a) Signs required by legal proceedings.

(b) Temporary signs, including for rent, for sale, sold signs or signs during construction of a residence or other improvement indicating the nature of the improvement and the persons or firm responsible therefor, which sign shall be consolidated into a single frame having not more than six (6) square feet of face area; such temporary signs to be removed within ten (10) days after rental or sale of the subject property or completion of the improvement. "Happy Birthday" or other congratulatory banners may be displayed for a period not to exceed five (5) days.

(c) Community or street identification signs which may be located on private property.

(d) Alarm and security monitoring signs.

(e) Signs in common areas or on private property advertising Hurstbourne sanctioned events and provided by the Association.

(f) "Super Reader" signs.

At no time shall an Owner have more than three (3) signs on his/her Lot at one time.

Section 4 - Destruction

Should any residence or structure on any Lot be destroyed in whole or in part, it must be reconstructed or the debris therefrom removed from the site and the property restored to a neat and tightly condition within three (3) months, or the area shall be deemed to be both a public and private nuisance.

Section 5 - Appearance

All garbage and trash containers, incinerators, fuel tanks, mechanical swimming pool equipment, utility meters, air conditioning equipment, clotheslines and other similar outdoor maintenance, storage and service facilities shall be stored in or concealed by a solidly screened, enclosed or covered receptacle in order to conceal said maintenance, storage and service facilities from view from the roads and neighboring properties. Garbage and trash containers and fuel tanks need not be screened if located underground. The placement of all of the aforesaid items, whether located above or below ground, shall require the prior written approval of the ARC.

Section 6 - Temporary Structures

No structure of a temporary character, tent, trailer, mobile home, shack or other outbuilding, except as provided herein, shall be placed or permitted to remain on any Lot or Common Area at any time, except that temporary construction shelter may be erected and maintained during and used exclusively for construction of any approved work or improvement and such shelters shall not in any event be used for living quarters and shall be removed from the premises promptly upon completion of the approved work or improvement.

Section 7 - Vehicles

No motorized vehicles shall be operated within the Properties unless (i) licensed or (ii) used primarily for maintenance purposes (i.e., lawn mowers, tractors or snowplows). No snow mobiles, dune buggies, motorcycles or other similar vehicles shall be operated off the paved roads. The ARC has the right to establish and enforce such rules for operation of any type vehicle as it shall in its sole discretion see fit.

Commercial vehicles shall be allowed for the purposes of loading and/or unloading; however, said vehicles shall not be present for more than three (3) days without prior written consent from the Association.

Campers, recreational vehicles, commercial vehicles, trucks, horse trailers, travel trailers or utility trailers and similar vehicles may only be maintained on a Lot within an enclosed or screened area which renders such objects non-visible from the roads or neighboring properties. During construction of Dwelling Units, however, the Owners and builders may maintain commercial vehicles and trailers on the Lots for the purpose of construction, and for use as a field or sales office. Commercial vehicles, private

passenger vehicles, trailers, buses, campers, tractors or trucks shall not be regularly parked or maintained upon any streets. No trailer, camper or mobile home of any kind shall be used on any Lot as a temporary or permanent dwelling.

No inoperable junk or junked cars or any motor vehicles other than private passenger vehicles, tractors or trucks in regular operation shall be permitted on the Properties of Hurstbourne Subdivision, and no commercial vehicles shall be left parked on any part of the Properties, including, without limitation, any street or Lot, longer than is necessary to perform the business function of such vehicle in the area; it being the express intention of this restriction to prevent the parking of commercial vehicles upon any part of the Properties for a time greater than that which is necessary to accomplish the aforesaid business purposes. No automobile or vehicles of any kind and no boat or trailer of any kind shall be constructed, restored or repaired upon any Lot in such a manner that said construction, restoration or repair is visible from the roads or neighboring properties.

Section 8 - Boats

No un-garaged boat may be maintained and/or stored on any Lot, unless the ARC determines, in its sole discretion, that the storage of such un-garaged boat will not be detrimental to the overall character of Hurstbourne Subdivision.

Section 9 - Lighting

Any exterior lighting on structures and Lots shall be directed downward so that direct light rays shall not extend beyond the lot lines of the Lot on and for which they were installed.

Section 10 - Mailboxes

The size, type, style, composition, and location of mailboxes, newspaper containers, and like structures, if placed apart from the Dwelling Unit, must be approved in writing by the ARC. The owners shall comply with any directive of the United States Postal Service.

Section 11 - Noxious Activity

No noxious, dangerous or offensive thing, trade, business or activity shall be carried on upon any Lot or Common Area, nor shall anything be done or placed thereon which, in the sole opinion of the ARC, would cause embarrassment, discomfort, annoyance or a nuisance to any adjoining owner or to the community generally. There shall not be maintained on any lot or Common Area any plants or animals or devices or things of any kind, the normal activities or existence of which is in any way noxious, offensive, dangerous, unsightly, unpleasant or of a nature that would diminish or destroy the enjoyment of other property in the community by the Owners thereof.

Section 12 - Animals

No animals, livestock or poultry of any kind, including pigeons, shall be raised, bred, kept or maintained within Hurstbourne Subdivision except dogs, cats or any other household pets, not exceeding four (4) in the aggregate, may be kept or maintained on a Lot for non-commercial purposes only. All pets must be secured by leash or lead, or under the control of a responsible person and obedient to that person's command at any time they are permitted outside of a house, dwelling or enclosed area used for their maintenance and confinement.

Section 13 - Compost

MAINTENANCE

Section 1 - Lot Maintenance

Owners shall, at all times, maintain their property and all appurtenances thereto in good repair and in a state of a neat appearance. Each Lot owner shall be responsible for the suitable appearance of his Lot including cutting grass, weeds and brush and removing trash and rubbish therefrom at all reasonable times and maintaining same in good condition and repair, in a manner that does not decrease the beauty, value, health or safety of the community as a whole or specific areas within the community. Owners shall remove and/or repair all moss, mold, peeling paint, and unmaintained landscape. All such maintenance shall be fixed within seven (7) days of written notice from the Association. Should any such Owner fail to maintain the appearance of his Lot in accordance with the aforesaid criteria and as determined solely by the Board of Directors of the Association, the said Association is hereby and herewith granted the right and privilege to enter upon such Owner's Lot for the purpose of maintaining the suitable appearance of such Owner's Lot (whether improved or un-improved), the cost of which is to be borne by the Owner or Owners thereof pursuant to the same procedures and conditions as set forth in Section 4 of this Article.

Owners shall maintain the swales on their Lot. Such maintenance shall include, but is not limited to, the cleaning of leaves, branches and other items in the swale when such items are affecting the natural flow of water, any and all repairs and/or maintenance necessary for the swale to be maintained without cracks and to ensure the natural flow of water is not affected.

Section 2 - Exterior Maintenance

In addition to maintenance of the Common Areas, the Association may, at its option and upon agreement with the Owner, provide exterior maintenance to any Lot which is subject to assessment under Article V hereof, as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements.

Section 3 - Assessment of Cost

The cost of such exterior maintenance shall be assessed against the Lot upon which such maintenance is performed and shall be added to and become part of the Regular Assessment to which such Lot is subject under Article V hereof and, as part of such Regular Assessment, it shall be a lien and obligation of the Owner and shall become due and payable in all respects as provided in Article III hereof. The Board of Directors of the Association, when establishing the Regular Assessment against each Lot for any assessment year as required under Article VI hereof, may add thereto the estimated cost of any exterior maintenance for the year but shall, thereafter, make such adjustment with the Owner as it necessary to reflect the actual cost thereof. The assessments of charges provided for hereunder shall not be considered for computation purposes as part of the maximum Regular Assessments under said Article VI.

Section 4 - Access at Reasonable Hours

For the sole purpose of performing the exterior maintenance authorized by this Article, the Association, through its duly authorized agent or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot at reasonable hours.

DRAINAGE PROVISIONS

In addition to the foregoing, and notwithstanding anything herein contained to the contrary, the following provisions shall govern drainage within Hurstbourne Subdivision.

Section 1

No owner of any lot shall change or permit to be changed the contours and the gradeline of any lot. The gradeline and contour of any lot shall conform with that of surrounding property. No swale within any easement of any lot shall be altered or wholly or partially filled so as to interfere with or prohibit the free flow of surface water; however, if such swale shall be altered, it shall be restored at the expense of such lot owner of the lot where such alteration occurs.

Section 2

If the owner fails to restore any swale to the approved grade upon request of the Developer, Architectural Control Committee or Association, the Developer, Architectural Control Committee or Association shall make all necessary repairs and restorations to the swale as they determine in their sole discretion and may bill the lot owner for the cost of the repair. Should the lot owner fail to pay the bill within thirty (30) days, the Developer, Architectural Control Committee, or Association may file a lien in the amount of such repair costs against the lot in the office of the Recorder of Deeds of Sangamon County, Illinois, and may foreclose such lien in the same manner as a lien for unpaid Association dues or expenses.

Section 3

When required by the Architectural Control Committee, prior to activating any sump pump on any lot, the sump pump shall be connected to the existing storm or drainage pipe in the swale located within the easement area of each lot at the expense of the lot owner.

Section 4

The Village of Chatham is an intended third party beneficiary of Sections 1 and 2 of this Article, in the event the Developer, Architectural Control Committee or Association does not take reasonable steps to enforce those Sections against a property owner within 45 days after the Village's written demand, the Village may in its sole discretion bring an appropriate action against the property owner, the Developer or Association to compel compliance.
